

# Career Transition **BLUEPRINT**

HyA

HyA

**How to go about Career Change ?**

Hear from Someone who has already Done it ?

What did you learn ?

**YOUR BLUEPRINT**

Your WHY	What are you GOOD at ?	Your IDEAL FIT?	Your PLAN building your TEMPLE	BEING IT Implementing the PLAN

# How to Effectively Use The Career Transition Blue Print

## Step 1: The Choice - To Change or Not

So, you want to change your Career eh?

Now, is as good a time as ever, to make this transition.

## Step 2: The Big WHY

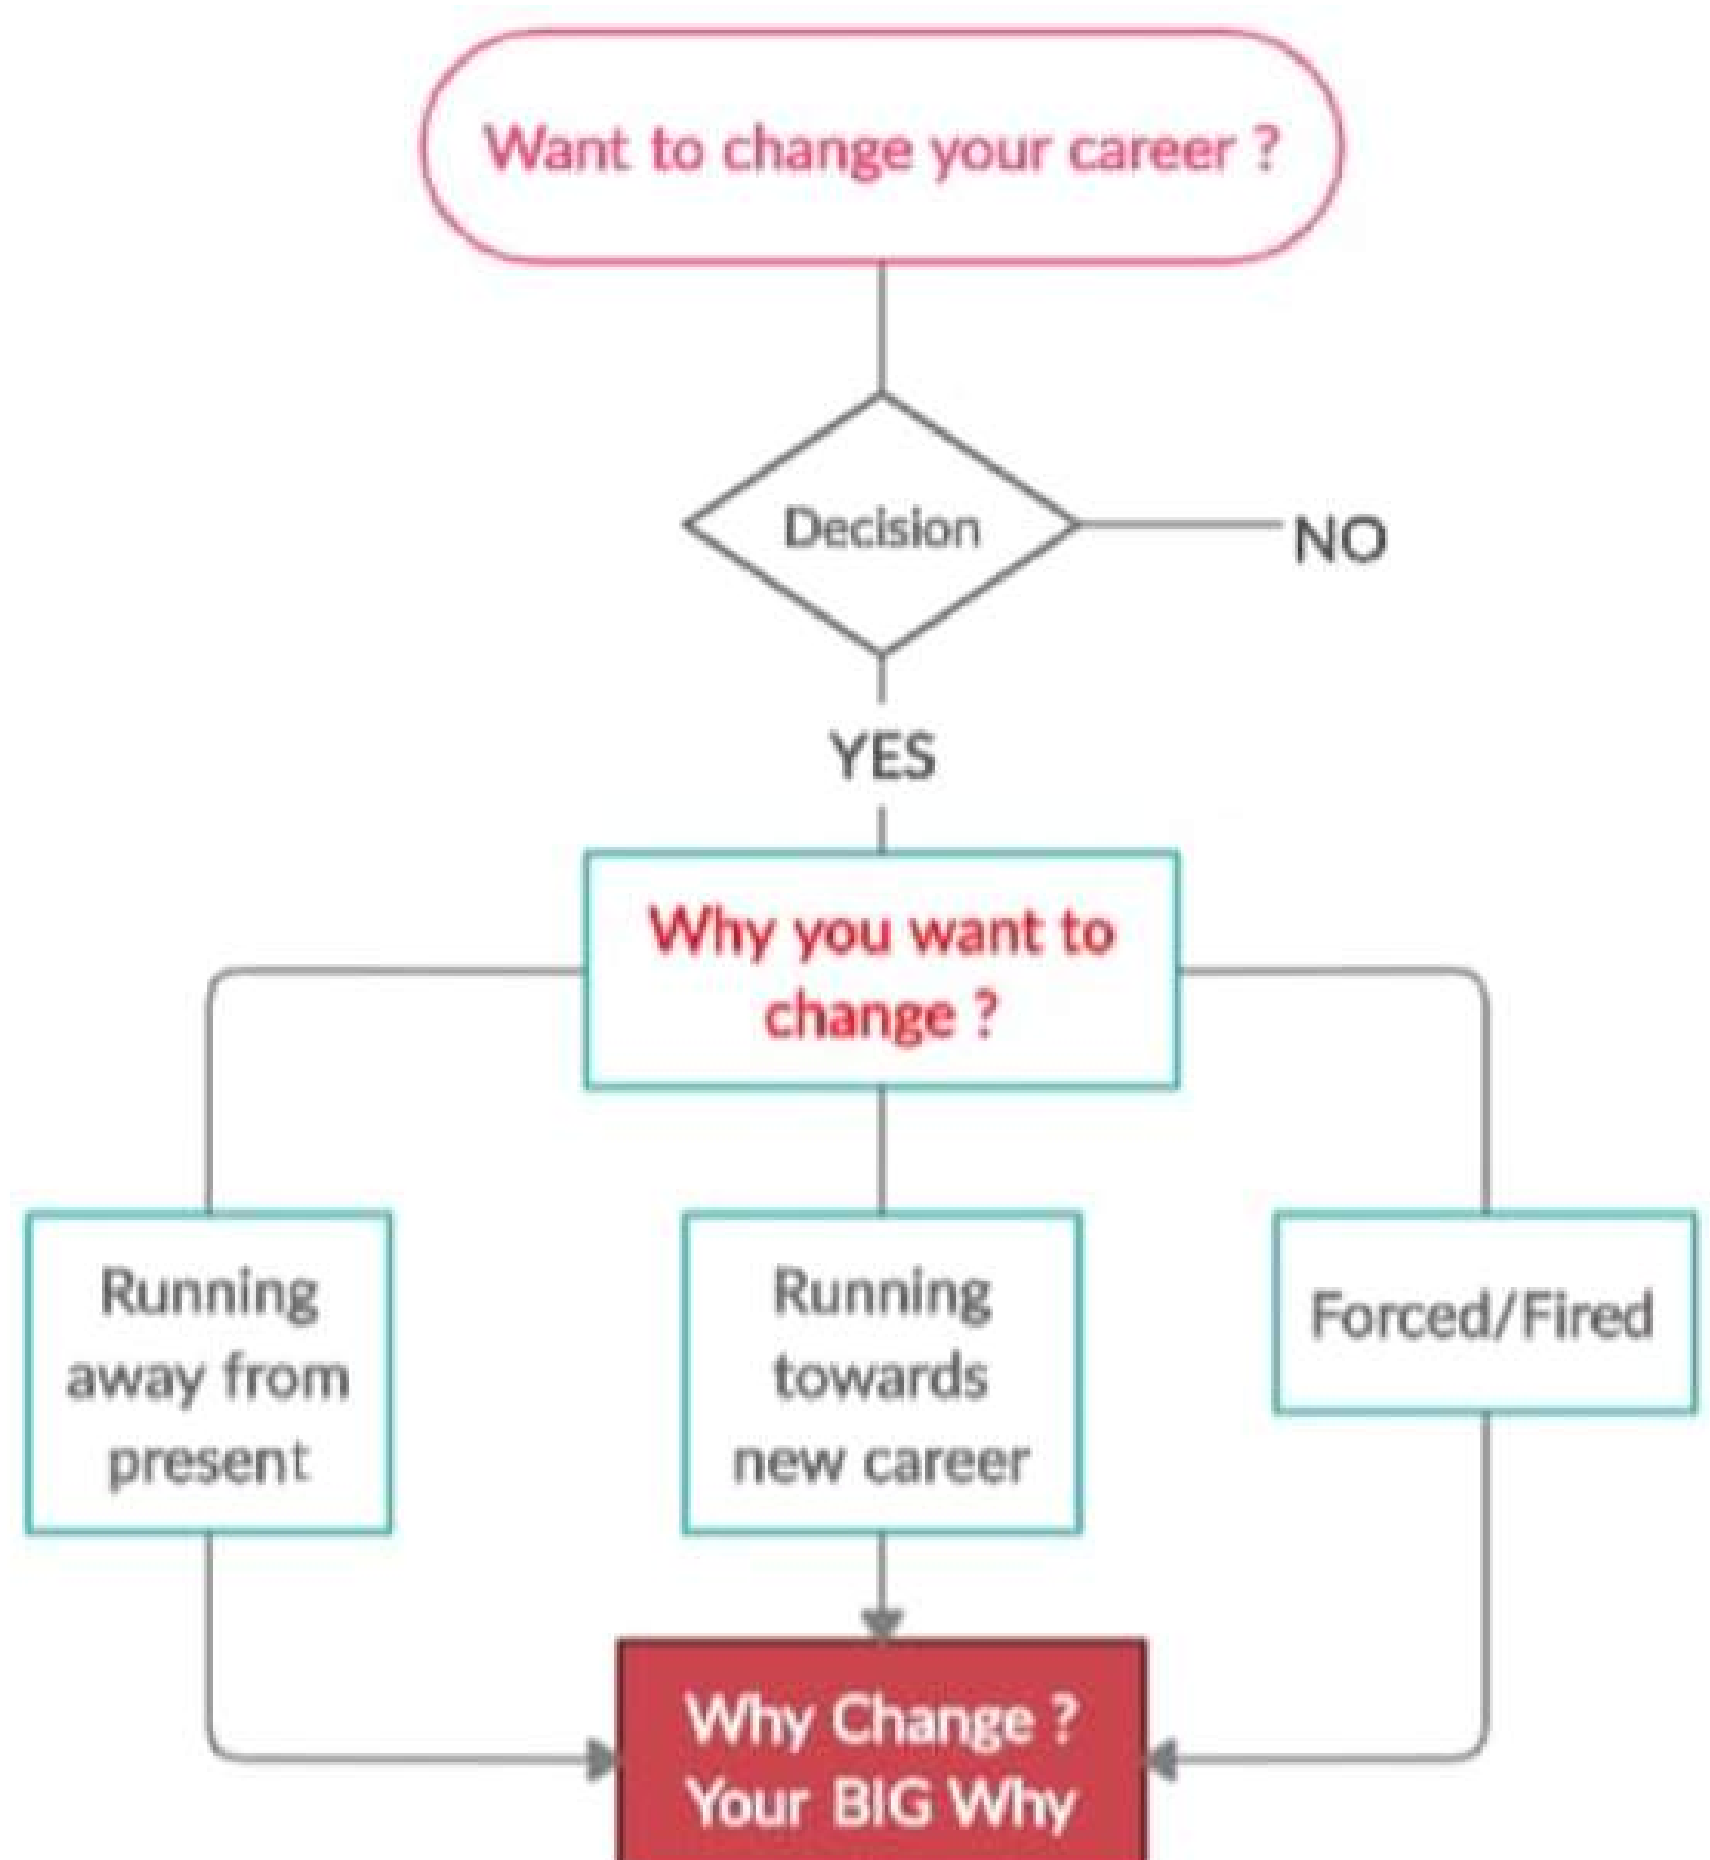

Ok then....

You have said a resounding YES to a Career transition.

We now move to the next step in the Blueprint.

Get **absolute clarity** on your BIG WHY ?

What is **Your Driver** for Change Career?

## Why 1: Get Away from the Present

You have Chosen to Get Away from the Present Career, your present situation. In your current mindset, you may even feel, Anything is better than the present career.

Using the Career Transition Blue print can help you **systematical choose** a career rather than pick the first career option that comes your way.

# How to Effectively Use The Career Transition Blue Print

## Why 2: Run to your New Career

Congratulations.

You already know which career you want to move into.

The Career Transition Blueprint will help you get **greater clarity** on the on your Big WHY for this particular career shift along with a **PLAN of action** to get to that career.

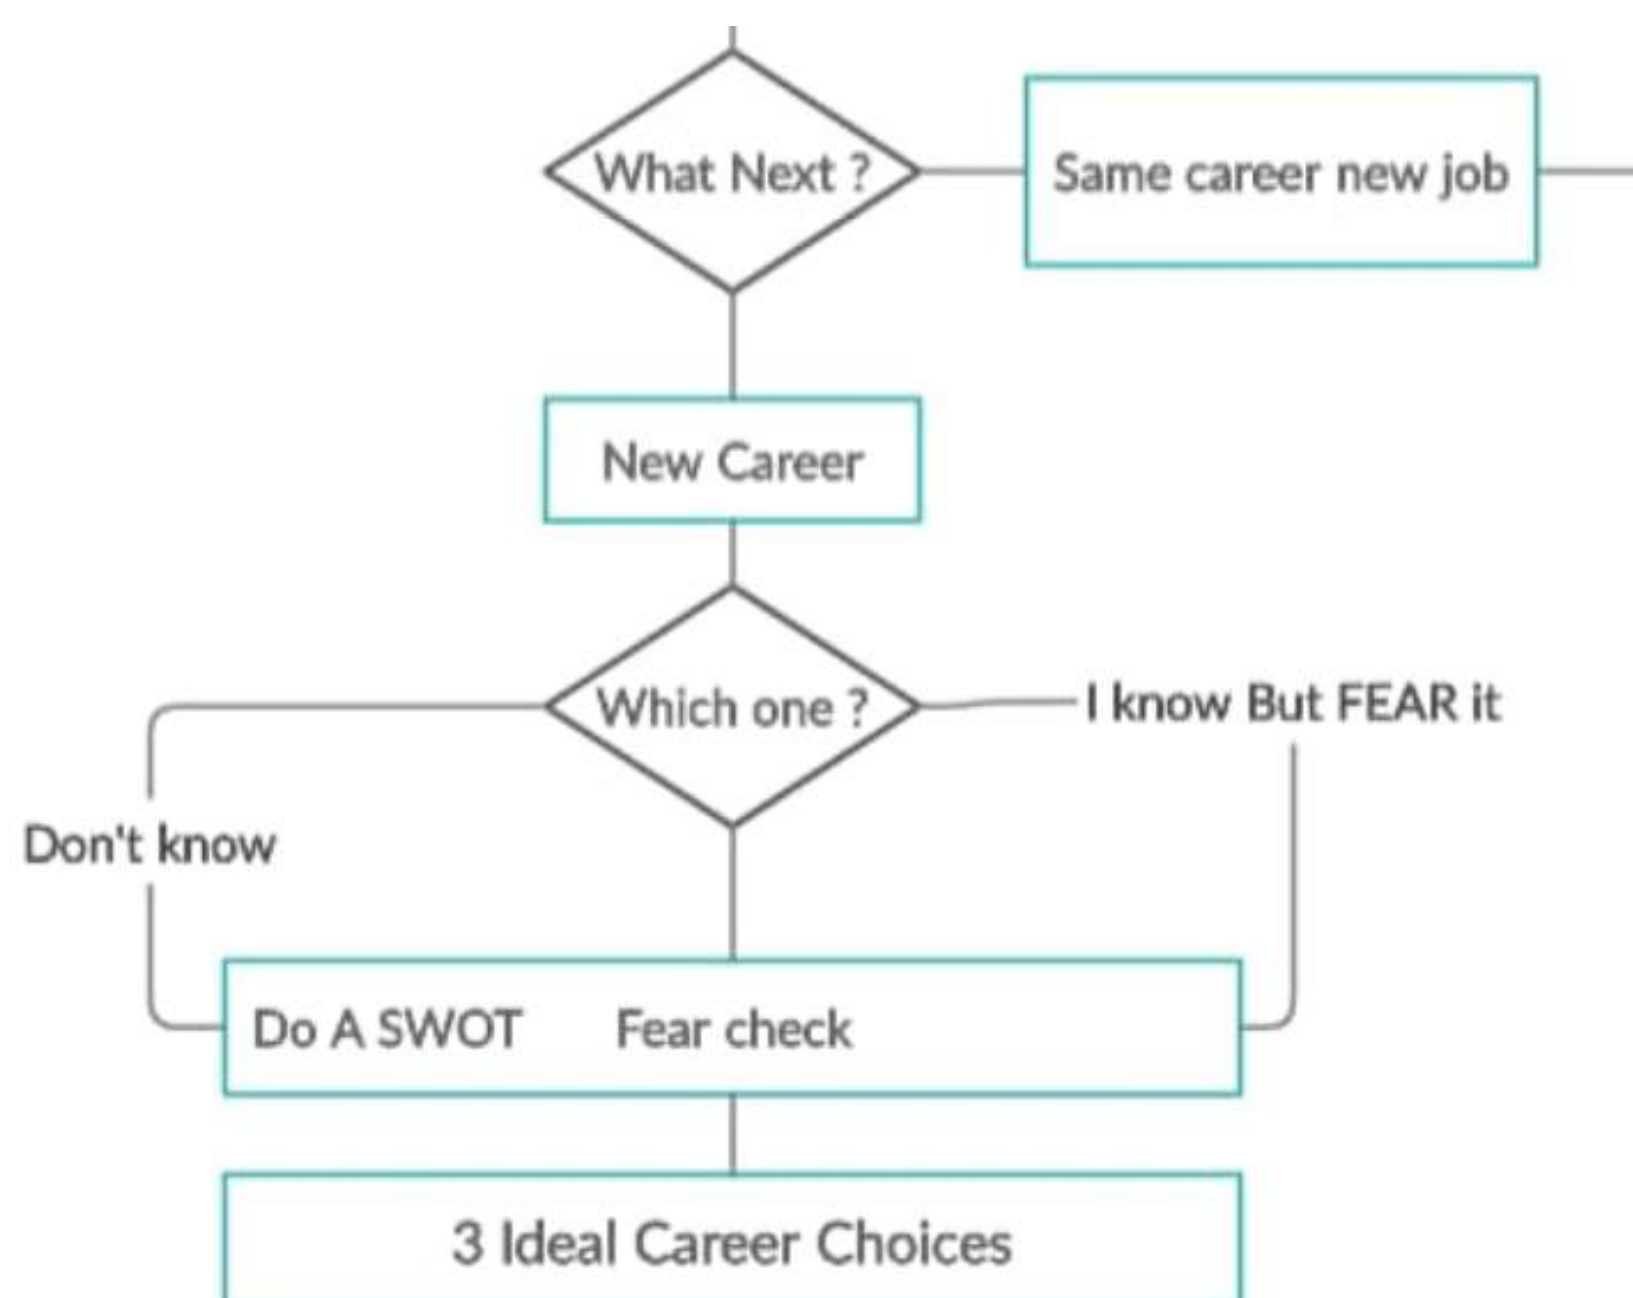

## Why 3: Forced Career Change / Fired from your Job

These are testing times and many of us have had choices made for us.

**Jobs have been lost.** Entrepreneurs have been forced to have a hard look at their businesses. With external circumstances forcing the career change, the question is What New Career to embark upon.

## Which one is Your Big WHY?

### Step3: The Top 3 New Career Choices and How to get there

You are at a Career Transition Point either out of **Choice**, or it's a **Forced One**.

What Next. Which career to pick? If you choose to do another job in the same field then it not a Career Shift and this Blue Print may not be suitable for you. However, if you opted a for a New Career, the next question is

' Do you Know which one? '

Here you do a **SWOT analysis** to identify your Strengths, Weaknesses, Opportunities and Threats to shortlist some career choices that are a good match for you.

# How to Effectively Use The Career Transition Blue Print

Now, you may be amongst many who know what is your ideal career is but are **Fearful** of letting go of what you have been doing so far and to embark on a new, possibly uncertain journey.

Look at my **Video : 'How to Checkmate your Fears and Take the Next Step Forward in your Career.'**

So here we are, with **Your List of 3 Ideal Career Choices.**

Fantastic !

## Step 4: Time to Crystallize that One Idea and make a Move on it

Research says that, before we embark on a Life Altering journey in a New Career, it makes perfect sense to **hear from someone** who has done it all before.

Is our Ideal career choice **' Real or is it a Fantasy ? '**

If it's real, what are the highs, what to watch out for.

How to go about Career Change ?

Hear from Someone who has already Done it ?

What did you learn ?

How can we make lesser mistakes along the way.

How to seize opportunities when they present themselves.

Check out the **videos on my website** to listen to the experiences of some fantastic people who have already made the career transition that you wish to embark upon, now.

After a deep listen and reflection, ask yourself : **What did I learn?**

# How to Effectively Use The Career Transition Blue Print

## Step 5: Strategize – Build a PLAN and make a T.E.M.P.L.E. run for it

**T: Time...** Don't manage it, Multiply It

**E: Energy...** Align your Mind,Body and Breath

**M: Money...**How much do you have, How much do you need?

**P: People ...** You Network is Your Asset

**L: Learn....** You have to Unlearn and Relearn

**E: Evolve ...** Survive and Thrive

# How to Effectively Use The Career Transition Blue Print

## Step 6: You Have Your Very Own Career Transition Blueprint

YOUR BLUEPRINT

Your WHY	What are you GOOD at ?	Your IDEAL FIT?	Your PLAN building your TEMPLE	BEING IT Implementing the PLAN

**Right here in one page you have everything you need.**

Your **Big WHY ?** : Why are you Shifting Careers

Your **SWOT Analysis** report giving you want you are Good at and what you can build upon

A **Career Choice that is an Ideal Fit** for you... which utilizes your strengths, knowledge, experience and passion

Now for a **Solid Plan** to embark on this career using the six resources available to you: T.E.M.P.L.E.

The first step to implementing you plan is to believe in it, feel it, and by '**BEING IT**'
